

Reading Log

Home reading program.

Make sure to read at least 30 minutes a night, and at least 5 days, and **turn in your log**. Reading logs are due on the last day of each week.

Visit <http://ps.ashland.k12.or.us> and log in to see your child's grades and reading totals. You will need a name and password to get in, so let me know if you would like one.
